Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Ogden City Gateway Trail Access Phase in fiscal year 2024. The entity to receive funding for this project is Ogden City Corporation, located at 2549 Washington Blvd Ogden, UT 84401. The funding would be used for Environmental Assessment, Engineering, Design, and Construction of the Gateway Trail Access Phase of the Ogden Canyon Shared Use Pathway Project. The project is an appropriate use of taxpayer funds because it will provide a safe pathway for residents to travel around the Ogden Canyon waterfall along State Road 39.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Blake Moore  
Member of Congress

Dear Chairwoman Granger and Ranking Member DeLauro:

The project is an appropriate use of taxpayer funds because this multi-modal transportation facility has been in local and regional plans for 20-plus years. This request aims to provide funding to define alignment and roadway characteristics options better and complete the necessary environmental reviews and approvals.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for The Davis County Teen Resource Center in fiscal year 2024. The entity to receive funding for this project is Davis Education Foundation, located at 45 East State Street Farmington, UT 84025. The funding would be used for the construction of the Davis County Teen Resource Center in Layton, Utah. The proposed facility is a two-story, 16-bed structure with a kitchen, lounge areas, offices, storage and outdoor recreation space. The project is an appropriate use of taxpayer funds because the number of homeless students in Davis County is increasing, yet Davis County is not positioned to help in the most vital ways. To see the societal benefits of a generation of children equipped to rise beyond poverty, Davis County needs to intervene now. Plans for the facility are already drafted. With funding, construction can begin before year's end.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S. Code section 5305(a)(2) and 5305 (a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Blake Moore  
Member of Congress
